Subject: Delta Shipyard (06GC) -- Purchase Card Request & Confirmation

Lydia,

This email serves to document our 06/28/13 conversation during which you gave me your verbal approval to use a convenience check, written for \$45.00, to purchase copies of certain recently recorded documents from the Terrebonne Parish Clerk of Court that pertain to the Delta Shipyard Site.

This email also serves to document your 06/28/13 verbal approval, that because the court does not accept credit card payments for copies, for me to incur the related 2 percent service charge for the \$45.00 convenience check.
